In any case, the staff will not enter any unit except for true maintenance emergencies.
- Committees must not meet in person without board approval'. Contact the President or any member of the Board for assistance in setting up a Video and Phone-In meeting.
- Going forward, we are planning on conducting Video and Phone-In Board Meetings, with an opportunity for all owners to attend.
- If the Board deems it appropriate, we may also conduct the June Executive Board Election via absentee voting.

We will be in touch when we have further updates.
