To: All Residents and Homeowners of Meadow Hill

Re: Opening of Amenities

The Amenities Reopening Committee and the Executive Board of Meadow Hill, Inc. are happy to announce that the horseshoes and shuffle board courts will reopen tomorrow, June 11th! The pool will reopen on Saturday, June 12th!!!! The tennis and pickle board courts will have to wait until Tuesday due to the need to properly prepare them for use.

We intend to continue to monitor the latest CDC and Health department announcements and updates, and will be considering when to re-open the clubhouse and gym and the Hollister House. We anticipate, at this point, that those will be reopened in the Fall.

We are extremely grateful to all of you who participated in the survey and who also returned the Indemnification Agreement. This certainly helped to move this reopening forward. We are also very fortunate that Connecticut has been at the forefront of keeping the COVID positivity rate low and the rate of inoculation high affording us all a better comfort level.

There are some rules for which we are asking each person to abide by. There is a capacity number for each facility which will be posted outside of the entrances. We are asking that you pay close attention to the capacity number and, if you are there when the capacity is reaching the limit, you should plan to limit your stay. If you have been there a while, please be considerate of your neighbor and prepare to leave. There are no guests/visitors allowed at any of the amenities for the foreseeable future. You are being asked to bring your own sanitizing agent and to clean off any equipment and/or furniture before using.

Please enjoy and have a safe and happy Summer!!!!
